

## **NOTICE OF TEMPORARY CLOSURE – TASSEL TOP PARK**

**Effective 05/21/2020**

The Town of Raymond opened the gates to Tassel Top earlier this year in hopes that we could bring joy to our citizens by granting access to the walking trails and shore of Sebago Lake. We felt giving people more opportunity to engage in the outdoors during the stay at home order was vitally important to our health and well-being. Now that the weather is warming and summer is upon us, we must prepare Tassel Top to open for the season. Unfortunately, that means we need to close the gates.

The park will need to be compliant and following all guidelines for reopening set by the State of Maine. Staff needs to start the hard work of preparing the space in addition to implementing the added regulations and restrictions which are still being determined. Currently, we do not have a set date for reopening.

We will announce our reopening plans on:

We apologize for any inconvenience that this may cause and ask for your continued patience as we get Tassel Top Park ready for your enjoyment during the summer months. We hope to see you there soon!
